

## Risked Based Flight Review

This event was created to give CFIs some tools they can use to execute Flight Reviews that are tailored to the Client with the goal of improving accident rates. This event is suitable for all CFIs, aspiring CFIs and pilots who want to know what should be included in a well planned Flight Review.

**Directions:** US 1, Marathon Airport. The EAA museum is easily visible from US 1 on the north side of the highway and it is co-located with the Marathon General Aviation Center at the East end of the airport, across for Pizza Hut.
